4TH ANNUAL REGIONAL AUTO GROWTH SUMMIT

IN PARTNERSHIP WITH THE CENTER FOR AUTOMOTIVE RESEARCH

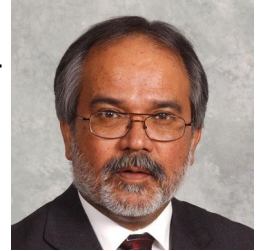

A Future-Ready Workforce, A Future-Ready Community

8:00 a.m. Registration & Networking
8:30-8:35 Welcome from Superintendent Judy Wells, Apollo Career Center
8:35-8:40 David J. Berger, Mayor of the City of Lima
8:40-8:45 Self-Introductions of Attendees

8:45-9:45 Remarks & Q&A

Mustafa Mohatarem, Chief Economist, General Motors

G. Mustafa Mohatarem, Ph.D., heads up GM's Corporate Economics Team, and is responsible for assessing the impacts of worldwide economic developments. Dr. Mohatarem is an expert on trade and was GM's lead during Uruguay General Agreement on Tariffs and Trade (GATT) negotiations, U.S.-Canada Free Trade Agreement, North American Free Trade Agreement (NAFTA), and TransPacific Partnership (TPP).

9:45-10:45

Center for Automotive Research (CAR)

Bernard Swiecki, Senior Project Manager - Industry Update

Kristin Dziczek Director, Labor and Education Group - New Skills Required!

CAR, initiated by the University of Michigan, is now a standalone nonprofit. CAR creates unbiased economic and systems modeling research, develops new manufacturing methodologies, forecasts industry futures, and advises on public policy.

10:45-11:00 Break

11:00-11:20

Joanna Pinkerton, Co-Director, Honda/OSU Partnership: Ohio's Smart Corridor

11:20-11:40

Future IQ Partners: The Future of Manufacturing, David Beurle

David Beurle, CEO of Future IQ, presents their insights into key trends impacting global manufacturing and the ways in which these trends are changing companies and communities. To prosper, manufacturers and regional economies must adapt and innovate at ever increasing speed and intensity.

11:40-12:00

Allen Economic Development Group, Jeffrey Sprague, President & CEO

MakerFest 2016: A celebration of the Lima region's advanced manufacturing and skilled trades, showcasing more than 100 of the region's top employers, and the colleges, universities, and career tech schools training talent for these employers.

12:05-12:30
